# SEC HIGHLIGHTS

**ALABAMA:** Alabama won its 13th national championship with a 37-21 win over Texas in the 2010 BCS National Championship Game. It was the first national title for the Crimson Tide in 17 years, dating back to the 1992 season when the Tide took apart Miami (Fla.) in the Sugar Bowl. UA head coach Nick Saban became the fourth Crimson Tide head coach to capture a national championship. Alabama returns eight starters on the offensive side of the football, which includes 2009 Heisman Trophy winner Mark Ingram and undefeated starting quarterback Greg McElroy and wide receiver Julio Jones. The Heisman Trophy for Ingram was the first in school history for the Crimson Tide, who garnered a record six first-team All-Americans.

**ARKANSAS:** The Arkansas staff underwent some changes at the end of the 2009 season. Garrick McGee

coach. Ryan Mallett set or matched 16 different school records during his sophomore season completing 225-of-403 passes for 3,624 yards and 30 touchdowns with just seven interceptions. Mallett is the only Manning Award finalist from a conference with an automatic BCS bid returning to college football in 2010.

**AUBURN:** Auburn has four returners on the offensive line this season who have a combined 109 career starts, with newcomers Roszell Gayden and Brandon Mosley battling in the spring for the fifth starter spot (right tackle). Auburn has 26 seniors listed on the spring roster. If that number remains the same in the fall, it would be the most in school history (most previously was 23 in 1988). Gene Chizik's second spring at Auburn was aided by the fact that Auburn is the only school in the SEC that returns its entire coaching staff intact from the 2009 season.

**FLORIDA:** Redshirt-junior quarterback John Brantley will be the new starter for Florida in the fall. After losing the top three receiving threats from 2009, the Gators will look to the lone returning starter, Deonte Thompson (R.-Jr.), to contribute heavily. The Gators have also moved Chris Rainey (R-Jr.) to wide receiver. Losing two senior linebackers will allow more youngsters to get involved. In addition to upperclassmen A.J. Jones and Brandon Hicks, Jelani Jenkins and Jon Bostic will help the linebacker unit be one of the fastest in the nation.

**GEORGIA:** New Bulldog defensive coordinator/outside linebackers coach Todd Grantham joined with new inside linebackers coach Warren Belin, new secondary coach Scott Lakatos and defensive line coach Rodney Garner to install a 3-4 defensive alignment during the spring. Georgia may have the deepest tight end position in

the country. 2009 Freshman All-American Orson Charles returns alongside 2009 Independence Bowl MVP Aron White, who started 12 of 13 games as a sophomore for the Bulldogs last year. Junior Bruce Figgins, who has played in 24 career games before redshirting with an injury in 2009, and sophomore Arthur Lynch are also expected to contribute in 2010. Lynch snagged a 39-yard touchdown pass in this year1s annual G-Day spring game. Flanker A.J. Green returns for his junior season after the AP All-SEC honoree finished second in the conference in 2009 in receiving yards/game (80.8) and rec./game (5.3), despite playing in only 10 games.

**KENTUCKY:** New head coach Joker Phillips completed his first spring practice in his plan "Operation Win." During his time as UK's offensive coordinator, he frequently encouraged his players to push the tempo and play fast. He implemented that philosophy with the entire team during spring practice, constantly urging the Wildcats to run between plays and from drill to drill in order to get the maximum amount of practice repetitions. As of April 26, seven Kentucky players were selected in the National Football League Draft or had signed free-agent contracts. A total of 24 Wildcats have signed with the NFL during the last three years.

**LSU:** Sophomore Russell Shepard moved from quarterback to wide receiver on a full-time basis. Shepard will continue to see snaps at Wildcat QB for the Tigers. Les Miles becomes the first LSU head coach since Charles McClendon to go into a sixth year at the school. Miles enters his sixth season with the Tigers in 2010. In five years at LSU, Miles has posted a 51-15 overall mark. With the return of junior QB Jordan Jefferson, LSU will start the same quarterback in the season-opener in backto-back seasons for the first time since 2005

and 2006 when JaMarcus Russell opened the year for the Tigers.

**OLE MISS:** A spring game record crowd attended the 2010 Ole Miss "Grove Bowl" with 30,229 fans looking on as the Blue defeated the Red 49-35. Ole Miss has now established a new Grove Bowl attendance record in each of the three springs since Head Coach Houston Nutt's arrival in Oxford. While the loss of Dexter McCluster was major, the Rebels are still deep at the running back position, with junior Brandon Bolden having the most experience.

MISSISSIPPI STATE: Head coach Dan Mullen welcomed two new members to the defensive staff – coordinator/linebackers coach Manny Diaz and co-defensive coordinator/defensive line coach Chris Wilson. The Bulldogs closed spring workouts on April 17 with a Maroon-White game that attracted 34,127 fans – a new record for a spring game in the state of Mississippi. State returns four starters along the offensive line from the 2009 season. The group paved the way for an offense that rushed for an SEC-best 227.6 yards per game. Of the Bulldogs 15 interceptions and 5 picksixes by the secondary last season, the players that accounted for all 15 picks and

5 scores return for the 2010 season. Mississippi State fans led the nation in increased attendance last season, jumping more than 10,000 in average attendance per game from 2009.

**SOUTH CAROLINA:** Although he sat out the spring nursing a shoulder injury, second-team All-SEC safety Chris Culliver is expected to play cornerback in his final season in the Garnet & Black. The Gamecocks have advanced to bowl games four of the past five seasons and have never had a losing season under Steve Spurrier.

**TENNESSEE:** New Tennessee head coach Derek Dooley grew up with roots firmly planted in the Southeastern Conference. Dooley's father, Vince Dooley, was a coaching legend at Georgia, and the younger Dooley himself has made a name as a top assistant under current Alabama head coach Nick Saban. Dooley was on Saban's staff at LSU and with the Miami Dolphins before choosing to blaze his own trail as a head coach and athletics director at Louisiana Tech. He was head coach for three seasons and served as AD in the final two years at Tech. Dooley's familiarity with the SEC could pay dividends for the Vols. He kept a consensus top-15 recruiting class in-

tact despite being hired less than a month before National Signing Day. Tennessee's seven NFL first-round draft picks over the last five years ties the Vols with LSU and Florida for best in the SEC.

**VANDERBILT:** Bobby Johnson put extra emphasis on third-down efficiency and red-zone success throughout spring drills. After disappointing last year in both areas, Johnson focused segments of every spring aimed at higher success rates in both categories. One year after introducing a nohuddle offense, coaches experimented with a two-back set, hoping to capitalize on two of the unit's top talents, sophomore tailbacks Warren Norman and Zac Stacy. All-SEC LB Chris Marve returns to lead the VU defense.

# THE SOUTHEASTERN CONFERENCE "THE STANDARD OF EXCELLENCE"

he Southeastern Conference, with its storied 77-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception in 1933.

The 2009-10 academic year was another season to remember for the SEC as conference teams captured four national titles and four national runner-up finishes. The SEC has won consecutive national championships in baseball and football. Since 1990, the SEC has won 135 national team championships for an average of more than six per year.

Krissy Voss - Auburn Brad Davis Female Community Service Leader

Alabama won the SEC's first national title of the year with its win in the BCS National Championship Game in football. It is the SEC's fourth consecutive football national title. Florida captured its second women's swimming and diving national championship. Florida also won its first ever championship in men's indoor track and field. South Carolina won the national championship in the sport of baseball. Florida finished first among Southeastern Conference schools and second overall in the Director's Cup final standings.

Overall, the SEC finished in the top two in nine of its 20 sponsored sports and in the top five in 14 of the 20 sports. Ten SEC teams participated in football postseason bowls with Alabama, Florida, Ole Miss, Arkansas, Auburn and Georgia winning the BCS National Title Game, Sugar, Cotton, Liberty, Outback, and Independence bowls, respectively. Four men's basketball teams were invited to the NCAA Tournament and seven women's basketball teams were also invited

John Egan - Georgia Brad Davis Male Community Service Leader

to the NCAA Tournament. The SEC had a eight teams advance to postseason play in baseball hosting four regionals with South Carolina and Florida advancing to the College World Series. With 145 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the four team championships, 41 SEC student-athletes garnered individual national championships, while 440 individuals were awarded with First-Team All-American Honors. Studes around the league continued to excel in the classroom as well with more than 2,300 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, 11 SEC schools placed in the top 60 of the NACDA Director's Cup rankings. Florida led the league with a second place finish. Tennessee placed 16th while LSU was 19th; Georgia finished 20th, Alabama 23rd, Auburn 26th, Kentucky 29th, South Carolina 41st, Arkansas 46th, Ole Miss 56th and Vanderbilt 59th to round out the league's top-60 finishes.

#### THIS IS THE SEC

he Southeastern Conference sponsors championships in 20 sports - 11 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

- The Southeastern Conference had 20 of its intercollegiate sport programs earn NCAA Public Recognition Awards for academic success. The SEC's total of 20 is fourth among all NCAA Football Bowl Subdivision Conferences.
- During the last six years, the SEC has had more student-athletes honored as CoSIDA/ESPN The Magazine Academic All-Americans than any other conference. The league has had 252 student-athletes named CoSIDA/ESPN TheMagazine Academic All-Americans, including 109 named to the first-team.
- Since 2000, the SEC has had 16 winners of the NCAA Today's Top VIII Award, which is given annually to eight outstanding senior student-athletes. During that time, no other conference has had as many student-athletes honored with this prestigious award.
- Florida's Tim Tebow won the William V. Campbell Trophy given by the National Football Foundation in 2009 as the nation's top football scholar-athlete. Tebow became the seventh SEC student-athlete to claim the "Academic Heisman" since the award was established in 1990.
- In 1992, the SEC became the first conference in the nation to assemble a Student-Athlete Advisory Committe. Two representatives from each of the SEC member schools are selected to serve on the committee, which meets twice a year to discuss issues of concern to the student-athlete.
- For the third year, the SEC SAAC has coordinated the "TogetherWe CAN" food drive at all 12 SEC institutions. During a two-week period in September, at athletic events on campus, student-athletes seek donations for food that will be delivered to local food banks and area charities. In 2009, the food drive garnered 42,500 pounds of food and donations.
- The SEC has created an annual Sportsmanship Award that will be awarded to one male and one female student-athlete during the 2007-08 academic year. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility.
- The SEC selects a Community Service Team in all of its sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.
- Since implementation of the Graduation Success Rate, there has been a general trend of improvement in the Graduation Success Rate of student-athletes in the SEC. NCAA research indicates the student body graduates at a GSR comparable rate of 60%, which is exceeded by 90% of teams within the SEC.

#### SEC ACADEMIC CONSORTIUM

The member institutions of the Southeastern Conference, with a tradition of excellence in intercollegiate athletics, joined forces in 2005 to form the SEC Academic Consortium (SECAC). The SECAC is housed at the University of Arkansas

Created by the league's Presidents, Chancellors and Provosts, the SECAC was established to provide a collaborative structure in which the 12 universities can

promote learning, scholarship and academic achievement.

"This organization will provide an opportunity for our schools to work together to enhance and share academic resources," SEC Commissioner Mike Slive said. "This consortium will operate parallel to, but separate from, the athletic side of the conference.

Students will benefit by shared courses, library resources, research and facilities. In this way the conference will work together, not only to enhance athletic programs, but also to enhance academic resources in a cooperative environment involving not just athletics, but all aspects of the university."

The SECAC has identified academic leadership and study abroad as the initial points of focus. The Academic Leadership Development Program will enable institutions to work collectively to identify and cultivate the next generation of academic leaders. By expanding study abroad programs, the consortium will:

2010 NCAA Baseball National Champions South Carolina

- increase global competency;
- build U.S. leadership, competitiveness and security;
- promote the study of other lands, languages and people;
- internationalize the student experience.

#### SEC ACADEMIC NETWORK

A major component of the most extensive conference television package in the history of intercollegiate athletics is ESPN's multi-faceted commitment to SEC academics. During the 15-year

agreement, ESPN will create an online SEC Academic Network utilizing ESPN360.com technology; produce an annual Campus Connection telecast at each SEC institution, in which students take part in the production; telecast two programs annually dedicated to the academic accomplishments of SEC student-athletes; feature a weekly academic segment on ESPNU's SEC show; and include one undergraduate student from every SEC institution in ESPN's summer internship program.

# SEC COMMISSIONER MIKE SLIVE

#### **SEC MISSION STATEMENT**

The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

rom his early days as an athletic administrator to his current post as commissioner, Mike Slive has maintained an integral role in the ever-changing world of intercollegiate athletics. He was named the seventh commissioner of the Southeastern Conference on July 2, 2002. In March 2009, the SEC Presidents and Chancellors announced a contract extension for Slive through July 31, 2012.

"Commissioner Slive has been an absolutely great addition to our conference," said University of Kentucky and Southeastern Conference President Dr. Lee T. Todd at the time of the extension announcement. "He is providing great vision and directing the SEC to a new prominence in college athletics. I am thrilled we have locked him in to lead our conference for years to come."

The SEC is in the second year of its landmark 15-year agreements with CBS and ESPN, which made the league the most widely distributed conference on television in the nation. These arrangements also secure the financial health of the SEC and its member institutions for years to come

Since Slive's arrival at the SEC in 2002, he has developed initiatives designed to maintain and improve the SEC's position as one of the top intercollegiate athletic conferences in the nation, both on and off the fields of play. These include:

· The SEC Task Force on Compliance and

Enforcement issued its first report at the 2004 SEC Spring Meetings. The task force developed policies and procedures to assist league schools in NCAA and SEC compliance and enforcement matters.

- The SEC Academic Consortium was created in 2005 to increase academic cooperation across the league by linking the resources of the 12 member institutions.
- The SEC has created a partnership with The Center for the Study of Sport in Society at Northeastern University to implement the Mentors in Violence Prevention Program at each of the 12 member institutions.
- The SEC annually distributes a database of names and biographies of every minority head and assistant football coach on the Division I level to every one of its schools and every conference in Division I.
- The SEC has initiated policies and procedures designed to foster sportsmanship and preventing inappropriate fan behavior.

"I am gratified that the Presidents and Chancellors have extended my contract and I am honored to serve as the Commissioner of the Southeastern Conference," said Slive. "We have accomplished many of our goals since my arrival in 2002 and there will be new challenges and goals to meet in the future. I look forward to these challenges as we continue to make the SEC one of the nation's top intercollegiate athletic conferences."

# SEC HEADQUARTERS

A lmost 33 years after moving to Birmingham from Jackson, Miss., The SEC moved into its current headquarters on October 15, 1991.

The building is now named for Roy F. Kramer, the SEC's sixth commissioner who retired in July 2002. During his tenure as the league's commissioner, the SEC won 85 national championships and distributed more than \$654 million in revenue back to its member instituions.

The 30,000 square-foot building was provided by the city of Birmingham. It was designed to house the SEC staff and accommodate the needs of the various committees, coaches and administrative groups that meet on a regular basis.

From its headquarters, the SEC office certifies the eligibility of all student-athletes, manages champi-

onship events, enhances academic opportunities for student-athletes, monitors NCAA and SEC compliance, coordinates officiation assignments, negotiates television contracts, distributes conference revenue, cultivates corporate sponsorships and coordinates media and public relations efforts.

In 2005, a state-of-the-art video command center was built inside the headquarters and named for the late Brad Davis, the SEC Associate Commissioner who was responsible for its development. Davis passed away on March 2, 2006.

The building also features a rotunda that highlights school banners, championship pedestals and two galleries displaying the member institutions.

We applaud the leadership of the conference as well as these great academic and athletic institutions for supporting this groundbreaking collaboration."

# SEC FOOTBALL VIDEO REPLAY

The Southeastern Conference, following the rules set forth by the NCAA Football Rules Committee, will utilize video replay for the 2009 football season. The following is the NCAA Rules on instant replay.

#### Section 1. Definition

**Article 1.** Instant Replay is a system utilizing electronic means to review and assist game officials with certain onfield decisions as listed in Section 3.

#### Section 2. Eligibility for Instant Replay

#### Article 1

- a. Any member institution may use instant replay. This
  rule is permissive, not a requirement. If instant replay
  is used, it must be used in full compliance with this
  rule
- b. For any non-conference game, if the home team is using instant replay, the visiting team does not have the option of declining its use for that game. If the home team is not using instant replay, the visiting team does not have the option of requesting that it be used in that game.

#### Section 3. Reviewable Plays

**Article 1.** Reviewable plays governed by a sideline, goal line or an end line include:

- a. Scoring plays, including a runner in possession of a live ball breaking the plane of a goal line. This includes field goal attempts only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights, the ruling may not be reviewed.
- b. A pass ruled complete, incomplete or intercepted at a side line, goal line or an end line.
- c. A runner or pass receiver ruled in or out of bounds.
- d. Recovery of a loose ball in or out of bounds in the field of play or an end zone.

Article 2. Reviewable plays involving passes include:

- a. A pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- b. A legal forward pass touched by an ineligible receiver.
- c. A legal forward pass touched by a defensive player.
- d. A fumble ruled on the part of a potential passer. (Note: If the on-field ruling is forward pass and the pass is incomplete, the play is not reviewable).
- e. A forward pass or forward handing ruled when a runner is beyond the line of scrimmage.
- A forward pass or forward handing ruled after a change of possession.
- g. A pass ruled forward or backward when thrown from behind the line of scrimmage. (Exception: If the pass is ruled forward and is incomplete, the play is not reviewable).

#### Article 3. Miscellaneous reviewable plays include:

- a. A runner judged to have been not down by rule.
- b. A ball carrier judged to have been down by rule when the recovery of a fumble by an opponent or teammate occurs in the immediate action following the fumble and is prior to any official signaling that the ball is dead.
- c. A ball carrier judged to have been out of bounds when his immediate action takes him into the opponent's end zone and is prior to any official signaling that the ball is dead.
- d. A runner's forward progress with respect to a first down.
- e. Touching of any type kick by any player.
- f. The number of players participating by either team during a live ball.

- g. A scrimmage kicker beyond the line of scrimmage when the ball is kicked.
- h. Clock adjustment when a ruling on the field is reversed. The Replay Official may correct an egregious game-clock error.
- A fumble recovery by a Team A player during fourth down or a try and before any change of possession.
- j. A muffed or fumbled kick.
- k. An incorrect down number.
- Bench interference.

**Article 4.** No other plays or officiating decisions are reviewable. However, the Replay Official may correct egregious errors. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-e, f and 12-3-3-f, g).

#### Section 4. Instant Replay Personnel, Equipment and Location

Article 1. Instant replay personnel shall consist of the number of persons needed to operate the replay equipment within the necessary time constraints. A minimum of three persons shall be utilized to insure that all plays are reviewed in an efficient and a timely manner. Such persons are normally referred to as replay official, communicator and technician. Additional persons may be used as needed.

Article 2. The type of equipment used to carry out necessary instant replay duties shall be determined by each conference or member institution utilizing instant replay.

#### Article 3.

- a. All equipment used in making a decision during the replay process and the personnel using that equipment shall be located in a separate, secure location in the press box. This room shall not be available or accessible to any person not directly involved in instant replay.
- b. Additional telephonic equipment needed to allow instant reply personnel to communicate with the game referee when a game has been stopped for a play review shall be located on a side line near the field of play and preferably outside a team area. Such equipment shall provide the game referee and the replay official a secure and private means of communication.

#### Section 5. Initiating the Replay Process

**Article 1.** There are two methods to stop a game to review a ruling on the field.

- a. The replay official and the crew shall review every play of a game. The replay official may stop a game at any time before the ball is next put in play whenever:
  - There is reasonable evidence to believe an error was made in the initial on-field ruling.
  - 2. The play is reviewable.
  - Any reversal of an on-field ruling, which would result from indisputable video evidence, would have a direct, competitive impact on the game.
- b. The head coach of either team may request that the game be stopped and a play be reviewed by challenging the on-field ruling one time during a game.
  - 1. A coach initiates this challenge by taking a team time out before the ball is next put in play and informing the referee that the coach is challenging the ruling of the previous play. If a head coach's challenge is successful he retains the challenge, which he may use only once more during the game. Thus a coach may have a total of two challenges if and only if his initial challenge is successful.
  - After a review has been completed, if the on-field ruling is reversed, that team's time out will not be charged.

- After a review has been completed and the on-field ruling is not reversed, the charged team time out counts as one of the three permitted that team for that half.
- A head coach may not challenge a ruling in which the game was stopped and a decision has already been made by the replay official.
- 5. If a head coach requests a team time out to challenge an on-field ruling and the play being challenged is not reviewable, the time out shall count as one of the three permitted the team during that half of the game.
- 6. A head coach may not challenge an on-field ruling if all the team's timeouts have been used for that half. If all team timeouts have been used and a head coach signals for, and is granted, a time out, a delay penalty will be assessed.

**Article 2.** a. A game may be stopped, either by the instant replay official or by a head coach's challenge at any time before the ball is next put in play.

 No game official may request that a game be stopped and a play be reviewed.

# SEC DIVISIONS

The 2009 season will mark the eighth year of a 5-1-2 schedule format. The 5-1-2 format allows for each school to play all five of its division opponents along with one permanent and two rotating non-division opponents each year. An institution will play every conference member four times during a 10-year period and each team will make two visits to every SEC stadium during that period.

From 1992-2002, the SEC had played a 5-2-1 format, which allowed each school to play all five of its division opponents along with two permanent and one rotating non-division opponent each year.

#### **DIVISIONAL REPRESENTATIVE TIE-BREAKER**

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative:

All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

#### A. TWO TEAM TIE

- 1. Head-to-head competition between the two tied teams.
- 2. Records of the tied teams within the division.
- 3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
- 4. Overall record versus non-division teams.
- 5. Combined record versus all common non-divisional teams.
- Record versus common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
- 7. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

#### **B. THREE (OR MORE) TEAM TIE**

(Once the tie has been reduced to two teams, go to the two team tie breaker format)

- 1. Combined head-to-head record among the tied teams.
- 2. Record of the tied teams within the division.
- 3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference record and proceeding through the division. Multiple ties within the division will be broken from first to last.
- 4. Overall record versus non-division teams.
- 5. Combined record versus all common non-divisional teams.
- Record versus common non-divisional team with the best overall Conference (divisional and non-divisional) record and proceeding through other common non-divisional teams based on their order of finish within their division.
- 7. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall det-ermine the representative in the SEC Championship Game.

### **2009 SEC CHAMPIONSHIP GAME**

he No. 2 Alabama Crimson Tide won its 22nd Southeastern Conference Championship by beating No. 1 Florida, 32-13 with a balanced attack that gave the Tide its first league title since 1999. Alabama is now 13-0 on the season while the Gators fell to 12-1. It marked the first time in the history of the SEC Championship Game that both teams came in undefeated.

"Our entire team played great. Greg [McElroy] played great. Mark [Ingram] played great. Julio [Jones] played

great," Alabama head coach Nick Saban said. "Really, most of the credit goes to our guys up front on the offensive line. This is a great win for our program."

Alabama amassed 490 yards of total offense against a Florida defense that had been limiting its opponents to an average of 230 yards per game this season.

Junior quarterback Greg McElroy, who threw for 239 yards and a touchdown on 12 completions, was named the game's most valuable player.

"It's been such an incredible season," McElroy said. "We started the season here (in the Georgia Dome) with a win and were able to win a championship today. I can't say enough about my offensive line, (and) we have the greatest coaching staff in the country. "

Sophomore running back Mark Ingram rushed for 113 yards on 28 carries including three rushing touchdowns. He is now the Tide's all-time single-season rushing leader with 1,542, surpassing Bobby Humphrey's 1986 record of 1,471 and becomes the first Alabama rusher to go over 1,500 yards in a season. His three touchdowns tied an SEC Championship Game record. Ingram also caught two passes for 76 yards.

Sophomore Marquis Maze led the Crimson Tide recievers with five catches for 96 yards.

Sophomore Mark Barron, junior Kareem Jackson and senior Rolando McClain led the Crimson Tide defense with seven, six and five tackles, respectively.

Alabama has now won an SEC title in every decade since winning the league's first title in 1933. The Tide's 22 championships ranks first in SEC history.

Junior quarterback Greg McElroy, who threw for 239 yards and a touchdown on 12 completions, was named the game's Most Valuable Player.

#### 1993 SEC CHAMPIONSHIP GAME FLORIDA 28, ALABAMA 13

The SEC staged its second annual Championship Football Game on Dec. 4, 1993, with Eastern Division Champion Florida defeating Western Division winner Alabama, 28-13, in front of a crowd of 76,345 at Birmingham's Legion Field.

The Gators were led by quarterback Terry Dean, who passed for 256 yards and two touchdowns en route to Championship Game Most Valuable Player honors. After virtually three quarters of neck-and-neck football, and the Gators leading by one, 14-13, Florida was faced with a fourth-and-eight situation. Punter Shayne Edge kept the drive alive with a 20-yard spring, and on the next play, Dean hit wideout Jack Jackson with a 43-yard strike to give Florida an eight- point cushion. From there, the Florida defense held its ground and the Gators secured the

The victory secured Florida as the host of the USF&G Sugar Bowl. On Jan. 1, 1994, the eight-ranked Gators defeated West Virginia, 41-7, in New Orleans to win their first Sugar Bowl title.

#### 1992 SEC CHAMPIONSHIP GAME ALABAMA 28, FLORIDA 21

The Southeastern Conference etched its mark in the college football history books on Dec. 5, 1992. The league became the first in Division I-A to stage a championship game between its two division winners.

Western Division Champion Alabama and Eastern Division co-Champion Florida provided plenty of fireworks as the Crimson Tide posted a 28-21 victory before a capacity crowd of 83,091 at Legion Field in Birmingham.

The game, which was televised nationally by ABC Sports and earned a 9.8 rating, was not decided until the final minutes. With the Gators facing first-and-10 at their own 21, Alabama cornerback Antonio Langham returned an interception  $27\ \mathrm{yards}$  for the game-winning score. The play, which came with just  $3{:}16\ \mathrm{remain}$ ing, earned Langham Most Valuable Player honors and thwarted the debut of a tie-breaking system in Division I-A football.

The victory secured Alabama the role of host at the USF&G Sugar Bowl. On Jan. 1, 1993, the second-ranked Crimson Tide handed No. 1 Miami a 34-13 defeat to capture the SEC's 12th national crown.

# SEC BOWL HIGHLIGHTS

#### **BCS NATIONAL CHAMPIONS**

Alabama's 37-21 win over Texas in the 2010 BCS National Championship Game gave the Southeastern Conference its fourth straight BCS National Championship and its sixth BCS title overall. Alabama is the fourth SEC team to win a BCS National Championship and the third different SEC team to win it during the last four seasons. Tennessee won the BCS' first national title in 1998, LSU won the crown in 2003, Florida's claimed the national championship in 2006 and 2008 while LSU took the title in 2007 and Alabama claimed the national title this past season. The Big 12 has two BCS national titles followed by the ACC, Big Ten, Pac-10 and Big East with one each.

#### NATIONAL CHAMPIONS SINCE 1992

Since SEC expansion in 1992, the SEC has the most national championships (AP, USA Today) with eight. During that time, the SEC has had more teams with national titles than any other conference (4). Here is a breakdown:

SEC - Florida (2008, 2006, 1996), LSU (2003, 2007), Tennessee (1998), Alabama (1992, 2009)

**Big 12 -** Texas (2005), Óklahoma (2000), Nebraska (1994, 1995, 1997) **Big Ten -** Ohio State (2002), Michigan (1997)

**Pac-10 -** Southern California (2004, 2003) **ACC -** Florida State (1999, 1993)

Big East - Miami, Fla. (2001)

The SEC is the first conference to claim four consecutive Associated Press (first poll - 1936), National Football Foundation and College Hall of Fame (first poll - 1959), Football Writers Association of America (first poll - 1954) and USA Today or UPI Coaches Poll (first poll - 1950) national championships.

#### BOWL GAME APPEARANCES

The schools that currently comprise the SEC have appeared in 379 bowls (including 2009-10). That is by far the most of any conference in the nation. In its history, the SEC is 196-170-13 in post-season bowl games, a 53.4 winning percentage. The SEC has the nation's top bowl winning percentage surpassing the Pac-10 (120-107-6, 52.8 percentage).

#### SEC TOPS ALL CONFERENCES IN BCS WINS

The SEC is 6-0 in BCS National Championship Games (LSU 2-0, Florida 2-0, Alabama 1-0, Tennessee 1-0). The SEC has the most wins (14) and the highest winning percentage of any conference that has three-or-more appearances in BCS bowl games. The SEC is 14-5 in BCS games (.737 percentage).

Arkansas celebrates its dramatic last second victory over East Carolina in the Autozone Liberty Bowl last season.

Auburn's overtime win over Northwestern in the Outback Bowl gives the Tigers plenty of momentum entering the 2010 season.

# **2010 SEC BOWL AGREEMENTS**

he Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2010 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One will make its pick following the BCS selections. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference.

The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls, followed by the Gator Bowl with the sixth selection. The Gator Bowl is a new addition to the SEC bowl lineup in 2010. The Franklin American Mortgage Music City Bowl will receive the seventh selection.

The AutoZone Liberty and Papajohns.com Bowls share the eight and ninth selections and will make their selections, not in any specific order, but in consultation with the SEC Office.

#### **BOWL CHAMPIONSHIP SERIES**

Following the 2010 college football regular season, the Bowl Championship Series will determine the National Championship. This season will also mark the fifth year of the BCS National Championship Game, which stands alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS will once again consist of the FedEx Orange, Allstate Sugar, Rose, Tostitos Fiesta Bowl and the BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

All BCS games will be televised on ESPN beginning in 2011, following the 2010 sea-

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

A Division I-A independent team or champion of Conference USA, Mid-American, Mountain West, Sun Belt or Western Athletic conferences will be guaranteed a slot in one of the five BCS games should that team be ranked 12th or higher in the final BCS standings or if a team is ranked in the top 16 and its ranking is higher than that of a champion from a conference that has an automatic berth in one of the BCS bowls. Should two such teams reach this critieria, the BCS will take the highest ranked team in the final BCS standings.

At the conclusion of the 2010 regular season, the BCS National Championship Game will be hosted in Glendale, Ariz., on Jan. 10 at 8 p.m. EST. The BCS National Championship Game will have the top two teams ranked in the BCS final regular season standings.

Other BCS games following the 2010 regular season include the Rose Bowl on Jan. 1 at 4:30 p.m. EST, Orange Bowl on Jan. 3 at 8 p.m. EST, Allstate Sugar Bowl on Jan. 4 at 8 p.m. ET and the Tostitos Fiesta Bowl on Jan. 1 at 8:30 p.m. EST.

Each host site of a BCS bowl will host the national championship game during the four year cycle. Phoenix hosted the National Championship Game in January 2007, New Orleans hosted in January 2008, Miami hosted in January 2009 and Pasadena hosted in January of 2010.

NOTE: Poll was originally compiled and organized by Charles Woodroof, former SEC Assistant Director of Media Relations. The AP (Writers and Broadcasters) Poll began in 1936. From 1936 to 1961 the wire service ranked 20 teams. From 1962 to 1967 only 10 teams were recognized. From 1968 to 1988 AP again resumed its Top 20 before expanding to 25 teams in 1989. Points were awarded based on a team's finish in the final AP poll each year. Points were awarded on a 20-19-18 -17-16-15-14-13-12-11-10-9-8-7-6-5-4-3-2-1 basis from 1936 to 1988, and a 25-24-23-22-21-20-19-18-17-16-15-14-13-12-11-10-9-8-7-6-5-4-3-2-1 basis 1989 to the present.
